

Custom Recipe Template

This template can be used when crafting custom items. You must have constant access to your crafting tools to make progress on the item. If you are creating a magic weapon, shield, or suit of armor, you must provide the non-magical equivalent item or enough ingredients to create it. This does not take up an Ingredient Slot.

Labor Cost and Crafting Time

	Apprentice	Journeyman	Expert	Master	Legend
Labor Cost (gp per Effect)	100	300	700	1,500	3,000
Base Crafting Time (hrs. per Effect)	50	75	100	125	150
